Attention is invited to paras 2 of G.O. No. 7032-5 dated 23.12.1927 which lays down that the probationers should be trained in the Press at Bangalore for two years and then for one year at the Branch Press Mysore. This was based on the recommendation of the Supdt Contn in the penultimate para of his letter no 84 dated 15/9.1927 wherein he recommended progressive pay of Rs 50 for 1st year & for 2nd year Rs 75. The Supdt now seems to think that Rs 75 should be given from the beginning of 2nd year and that the probationers should be sent for Madras for training. At first it was not proposed to give him any special train so as to fit him for any particular post. Mr. Krishnarao Vamshetty has been deputed for higher training, the need for deputing the probationers also for training elsewhere is for orders unless it is thought that our press here & the branch press at Mysore are not capable of giving adequate training to the probationers.

1) The probationer will be entitled to Rs 60/- from the 2nd year which he has just commenced. If he were to be sent on deputation, he would be entitled to a deputation allowance (1/5 of pay) in addition to t.a. The difference between the maximum pay proposed to be given at once and the cost of deputation to be borne by Govt. would be negligible, as at the end of the 2nd year, he would, however, be entitled to Rs 75/-. According to the Supdt's proposal, there is no other cost to Govt.

8) The recommendation of the Supdt. may perhaps be sanctioned.

OFFICE OF THE SUPERINTENDENT,
GOVERNMENT PRINTING IN MYSORE,
Bangalore, dated the 8th June 1929.

FROM

B. PUTTAIYA, Esq., B.A.,
Superintendent, Government Printing,
Bangalore.

B. Narayanasamiengar, Esq., B. A., B. L.,
General Secretary to the Government of Mysore

B A N G A L O R E.

SIR,

I have the honour to state that the Probationer, Mr. D.S. Gurubasavappa, B. Sc., who is working in this office now, has passed the Mysore Government Technical Examinations in Composing and Proof Reading, Junior Grade, and will appear for the Higher grade examinations in due course. He is taking interest in his work and is making good progress, but I feel that it would be to the interests of the press, if he is given a chance to get his training in a different atmosphere and in a different surrounding where he can have all the opportunities to see, learn^{and} work in the various branches of the printing industry. It will give him a better zest in his work and create a sharper incentive to acquire knowledge and experience in the profession.

I therefore approached the Superintendent of the Government Press at Madras when I had gone to Madras on leave and requested him to take this young man for training in the Government Press along with the other apprentices who are working there. He very kindly consented to my request readily, but asked me to request my Government to write to the Madras Government officially in the matter for formal sanction.

Similarly, some representatives of firms at Madras like Mr. Shelley of Messrs. John Dickinson & Co., Mr. Day of the Lanston Monotype Company and others have promised me to afford the Probationer

all opportunities to learn the various branches of printing, such as half-tone block making, working on the Linotype Composing machine and the Monotype, by introducing him to work in the " Madras Mail ", or " The Hindu " or the " M & S M. Railway Offices".

I think this is too good an opportunity to be lost and therefore propose that ^{the} Probationer may be deputed for training at Madras, as proposed above, during the remaining period of two years of probation and ~~permit him~~ ^{permitted} to pass the Madras Government Technical Examinations in Composing and Printing in the Senior Grade. As he has to go to a costlier place and work under different conditions, I also beg to propose that he may be given the maximum of his grade, viz., Rs. 75/- per month this year ^{or} alone, to enable him to meet his additional expenses, together with the usual Travelling Allowance to and from Madras, twice a year.

I beg that early orders may be kindly passed in the matter.

I have the honour to be,

Sir,

Your most obedient servant,

Superintendent.

Order No.G. 1977-8

Dated Bangalore, 10.8.29.

The Superintendent, Govt. Printing states that Mr. Gurubasavappa, B.Sc., has had one's year's training in the Govt. Central Press and that it would be in the interest of the Press if he is given an opportunity to get his further training in a different atmosphere where he can have large facilities for getting an insight into the various branches of the Press Industry.

He therefore proposes the deputation of Mr. Gurubasavappa for training in the Madras Government Press and other

presses at Madras for the remaining period of his probation, during which time, he should be asked to pass the Madras Govt. Technical Examinations in Composing and Printing in the Senior grade also. He further recommends that the Probationer be given the maximum pay of his grade viz., Rs.75 per mensem during the period of his probation to enable ~~him~~ to meet his additional expenses, as well as the usual t.a. to and from Madras twice in a year.

Government are pleased to sanction the above proposals with effect from 1st September 1929. The expenditure involved will be met from the provision under 'salaries and establishment' of the Government Press in the current year's budget.
